---

The first ITLMA webinar will be held Tuesday 8/4/09 at 1pm (ET).

A professionally designed web site and strong identity often portrays a positive image. Don't risk losing business due to a poorly designed web site or ineffective collateral materials. Let us help get your message across to potential customers by creating effective designs. Blend the technical with the aesthetic for an effective combination that is both user and search engine friendly. Ever wonder how you get a better page rank in Google? Find out this and more in this webinar sponsored by [Time America](#).

All webinars are free, but space is limited, please RSVP by email to [ITLMA@Timeamerica.com](mailto:ITLMA@Timeamerica.com).

Your ITLMA education committee introduces the next phase in industry education with the new ITLMA Webinar series. These free programs act as continuing industry specific education in concert with the ITLMA Conference & Expo.

If you would like to sponsor a webinar, please contact Barry Rubin at [Barry@Floridatimesystems.com](mailto:Barry@Floridatimesystems.com) or (727) 898-TIME (8463).
