There's no standard recipe but our Chef has put together a few good ones so you can be as creative as you like.

But to truly appreciate the Salsa Challenge, one has to do more than taste it. You have to experience first-hand what it's like to chop, grill and season all of those fresh ingredients, create the salsa masterpiece and dazzle your teammates with your creativity.

You and your team now have the opportunity to participate in this great challenge. See your Southwestern or Smokey salsa through from start to finish. After creating the best darn salsa ever, you design a marketing to promote your culinary marvel.
